Gentlemen:-

Some time ago, we sent you a lot of gold and silver and requested you to send us a report of the amount, the proceeds of which were to be sent to a Providence Firm. This part has been attended to all right, but we have not received any report of the amount, except from Mr. Fisher of the Ex. Co. He did not state the amount of each separately. We would like to have you notify us of the separate amounts and greatly oblige

Yours truly,

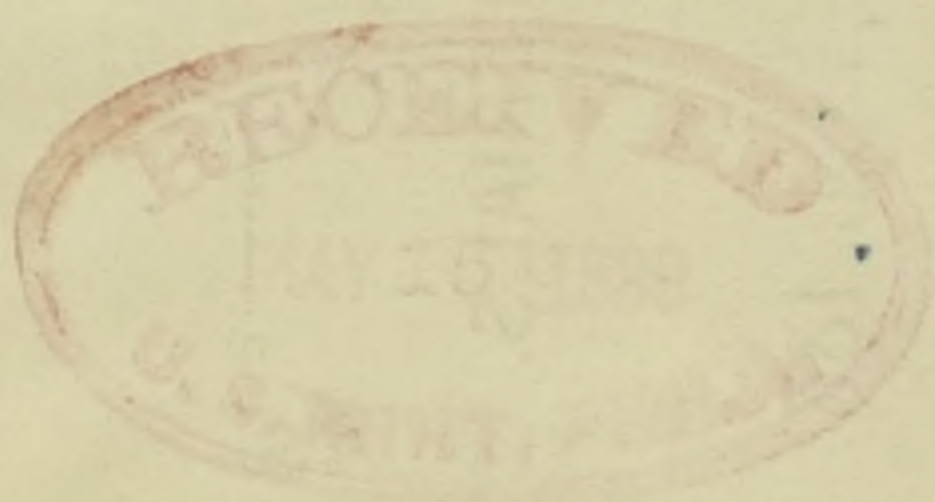

Minneapolis Jewelry Mfg. Co.
